Free Sample Policy:

It's all about "skin in the game". Our extensive marketing research has found that just about anyone will ask for a free sample ... and let it sit in their bathroom cabinet for years. What does that accomplish? *It drives up the price of our product!* **BUT** ... people **truly interested in Pain Relief** will buy the product and *use it*. This helps us keep the price down! So yes, you do have to buy **Joint Medic™** to get our "**Relief Or Free**" guarantee. ***We know that our product will help the vast majority of muscle and joint pain sufferers.*** If you are in the minority where Joint Medic doesn't provide relief ... we will refund the purchase price of the product – **not including shipping and handling.** If you are in the great majority, **then this will be one of the best purchases of your life!** So join the **thousands** of satisfied customers we have helped since **1999** and give us a try because **You Get Relief Or It's Free!**

*Most conditions see results in as few as 3-5 days. Our product is not an "instant relief" nerve numbing cream, but is intended to have an accumulative effect on the causes of pain. The more severe and long term the condition, the longer it may take to experience results. The only other reason our product hasn't worked is the user did not use it regularly for the 30 day period. **Our interest is in helping people who suffer from pain,** *not* withholding refunds ... so use the product regularly for 30 days and **Get Relief or It's Free!**
